Dr. Tom Kloosterboer, resident Town of Green Lake advocate for safe biking, stated that since last meeting one bicycle fatality occurred in Madison, and another bicycle/car accident occurred on CTH T in Green Lake County. There are ways to allocate money toward surfacing roads, such as the savings on oil prices are at an all-time low; asphalt is less than half the cost from 2 years ago; ditch mowing is not necessary, mow around intersections only; take out low interest loans; or extend the sales tax to do the infrastructure.
