Public Information Meeting for Improvements to CTH D Bridge over White River, Town of Seneca Green Lake County

Proposed Transportation Improvements

Green Lake County is proposing to replace the existing bridge on CTH D over the White River in the Town of Seneca between Princeton and CTH F. The project will consist of replacing the deteriorated bridge with a new structure and reconstructing the approaches to the bridge. During the construction, CTH D will be closed to through traffic due to the replacement of the bridge and a detour will be marked.

Please Attend

All persons interested in the CTH D project are encouraged to attend a Public Information Meeting on Monday, December 17, 2012. The meeting will be held from 5:00 pm till 6:00 pm at the Green County Highway Department, 570 South Street, Green Lake, WI 54941. The meeting will be an open-house style format and will allow interested people to stop in at their convenience and talk about the project.

Information Available

Staff members from Green Lake County and its consultant, Short Elliott Hendrickson Inc., will be on hand during the scheduled meeting to discuss the proposed improvements. Project preliminary plans, location maps, and other exhibits will be on display to illustrate the work in detail.

Your Involvement

We want your thoughts about the pros and cons of this project. If there are issues you would like to discuss, please attend the Public Information Meeting at a time that is convenient for you. If you are not able to attend on December 17th, call the Short Elliott Hendrickson, Inc. staff member listed below to share your comments.
