

NOTICE OF REFERENDUM ELECTION

APRIL 3, 2018

NOTICE IS HEREBY GIVEN, that at an election to be held in the several towns, villages, cities, wards and election districts of the State of Wisconsin, on Tuesday, April 3, 2018, the following question will be submitted to a vote of the people pursuant to law:

2017 ENROLLED JOINT RESOLUTION 7

To amend section 1 of article VI, section 3 of article VI and sections 7 and 8 of article X; and *to create* section 17 of article XIV of the constitution; **relating to:** deleting from the constitution the office of state treasurer (second consideration).

Whereas, the 2015 legislature in regular session considered a proposed amendment to the constitution in 2015 Assembly Joint Resolution 5, which became 2015 Enrolled Joint Resolution 7, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

SECTION 1. Section 1 of article VI of the constitution is amended to read:

[Article VI] Section 1. The qualified electors of this state, ~~at the times and places of choosing the members of the legislature,~~ shall in 1970 and every 4 years thereafter elect a secretary of state, ~~treasurer~~ and an attorney general who shall hold their offices for 4-year 4- year terms.

SECTION 2. Section 3 of article VI of the constitution is amended to read:

[Article VI] Section 3. The powers, duties, and compensation of the ~~treasurer and~~ attorney general shall be prescribed by law.

SECTION 3. Sections 7 and 8 of article X of the constitution are amended to read:

[Article X] Section 7. The lieutenant governor, secretary of state, ~~treasurer~~ and attorney general, shall constitute a board of commissioners for the sale of the school and university lands and for the investment of the funds arising therefrom. Any two of said commissioners shall be a quorum for the transaction of all business pertaining to the duties of their office.

Section 8. Provision shall be made by law for the sale of all school and university lands after they shall have been appraised; and when any portion of such lands shall be sold and the purchase money shall not be paid at the time of the sale, the commissioners shall take security by mortgage upon the lands sold for the sum remaining unpaid, with ~~seven per cent~~ 7 percent interest thereon, payable annually ~~at the office of the treasurer as~~ provided by law. The commissioners shall be authorized to execute a good and sufficient conveyance to all purchasers of such lands, and to discharge any mortgages taken as security, when the sum due thereon shall have been paid. The commissioners shall have power to withhold from sale any portion of such lands when they shall deem it expedient, and shall invest all moneys arising from the sale of such lands, as well as all other university and school funds, in such manner as the legislature shall provide, and shall give such security for the faithful performance of their duties as may be required by law.

SECTION 4. Section 17 of article XIV of the constitution is created to read:

[Article XIV] Section 17. The state treasurer holding office on the date of ratification of the 2015- 17 amendment providing for the deletion of that office from the constitution shall continue to hold that office until the first Monday of January in 2019. Any vacancy in the office occurring before that date shall be filled in the manner provided by law.

SECTION 5. Numbering of new provisions. If another constitutional amendment ratified by the people creates the number of any provision created in this joint resolution, the chief of the legislative reference bureau shall determine the sequencing and the numbering of the provisions whose numbers conflict and adjust any cross- references thereto.

Now, therefore, be it resolved by the senate, the assembly concurring, That the foregoing proposed amendment to the constitution is agreed to by the 2017 legislature; and, be it further *Resolved, That* the foregoing proposed amendment to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday in April 2018; and, be it further *Resolved, That* the question concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows:

QUESTION 1: "Elimination of state treasurer. Shall sections 1 and 3 of article VI and sections 7 and 8 of article X of the constitution be amended, and section 17 of article XIV of the constitution be created, to eliminate the office of state treasurer from the constitution and to replace the state treasurer with the lieutenant governor as a member of the Board of Commissioners of Public Lands?"

EXPLANATORY STATEMENT

Article VI of the Wisconsin Constitution provides for the election of a state treasurer every four years. Wis. Const. Art. VI, § 1. The Constitution spells out only one duty for the Treasurer: to serve as one of three members on the Board of Commissioners of Public Lands, which is charged with the sale of school and university lands and with the investment of funds arising from such sales. Wis. Const. Art. X, § 7. The other two members of that Board are the Attorney General and Secretary of State.

The referendum question proposes to eliminate the constitutional office of Treasurer. To fill the Treasurer's position on the Board of Commissioners of Public Lands, the Lieutenant Governor would serve as the third member of that Board.

A "yes" vote on this question would eliminate the constitutional office of the Treasurer. It would replace the Treasurer with the Lieutenant Governor as a member of the Board of Commissioners of Public Lands.

A "no" vote would retain the constitutional office of the Treasurer under Article VI. The Treasurer would also continue to serve as a member of the Board of Commissioners of Public Lands.

this 23rd day of March, 2018.

Notice of Spring Election and Sample Ballots April 3, 2018

OFFICE OF THE GREEN LAKE COUNTY CLERK TO THE VOTERS OF GREEN LAKE COUNTY:

Notice is hereby given of a spring election to be held in Green Lake County on April 3, 2018, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where Paper Ballots are Used

The voter shall make a mark (X) in the square next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall make a mark (X) in the square next to "yes" if in favor of the question, or the voter shall make a mark (X) in the square next to "no" if opposed to the question.

Where Optical Scan Voting is Used

The voter shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote and fill in the oval or connect the arrow next to the write-in line. On referendum questions, the voter shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

Where Touch Screen Voting is Used

The voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth or machine. Sample ballots or other materials to assist the voter in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If the voter spoils a **paper or optical scan** ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

The voter may spoil a **touch screen** ballot at the voting station before the ballot is cast.

After Voting the Ballot

After an official **paper** ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall leave the booth, deposit the ballot in the ballot box, or deliver the ballot to an inspector for deposit, and shall leave the polling place promptly.

After an official **optical scan** ballot is marked, it shall be inserted in the security sleeve so the marks do not show. After casting his or her vote, the voter shall leave the booth, insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. If a central count system is used, the voter shall insert the ballot in the ballot box and discard the sleeve, or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

After an official **touch screen** ballot is cast, the voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.
